ANNUAL INDEX 1978

January 1—December 31, 1978

(COPYRIGHT)

This is the ANNUAL INDEX of AFRICAN RECORDER covering the period January 1 to December 31, 1978 (issues Nos. 1 to 26 of Vol. XVII). It incorporates the HALF-YEARLY INDEX issued to you earlier covering the period January 1—June 30, 1978.

As soon as you receive this ANNUAL INDEX, please discard the HALF-YEARLY INDEX from the file and insert this at the end of the Volume.

West Asia developments are dealt with under EGYPT under two headings—Defence and Foreign Relations—as well as under ISRAEL and USA. Developments leading to South African-controlled elections in Namibia are entered under both countries—South Africa and Namibia—as well as under UN. The guerrilla war in Rhodesia and the formation of an interim Provisional Government are featured under two headings—Defence and Politics & Govt.

The INDEX has been compiled on the Dictionary method and arranged alphabetically with certain form-headings under different countries. Such special form-headings (apart from the departmental form-headings such as COMMERCE & INDUSTRY, POLITICS & GOVT., FOREIGN RELATIONS etc.) are ATOMIC ENERGY, COMMONWEALTH, COMMUNISM and SPORT.

The abbreviations for countries as well as the usual form-headings are given in the explanatory note on How To Use The INDEX pasted on the inside of the back-cover of the binder under the heading INDEX EXPLAINED.
